

General Clinical Health Education Assessment Form

Student Name: _____ Student ID: _____ Evaluator Name: _____
Department: _____ Clinical Site: ☐ Nakhon Pathom ☐
Phetchabun ☐ Other: _____ Location: ☐ OPD ☐ IPD ☐ Other: _____ Date: _____

Scoring Rubric

- 0: Not Performed / Incorrect
- 1: Partially Correct / Needs Improvement
- 2: Complete / Correct / Professional

Category	Assessment Criteria	Score (0-2)
I. Introduction	Introduces self and verifies patient identity/procedure.	
II. Foundation	Explains diagnosis, anatomy, or biological mechanism (e.g., breastfeeding physiology, surgical impact).	
III. Technical	Provides step-by-step instructions for specific care (e.g., pill usage, wound cleaning, latch-on technique).	
IV. Lifestyle	Advises on activity limits, nutrition (e.g., high protein, avoiding alcohol), and social/sexual health.	

V. Warning	Clearly identifies "Red Flags" and emergency symptoms requiring immediate return to hospital.	
VI. Follow-up	Confirms follow-up appointment date and asks if the patient has additional questions.	

Total Score: _____ / 12 (Passing Threshold: $\geq 60\%$ or 7 points)

Qualitative Evaluation

Overall Performance: [] Pass [] Fail

Student Reflection:

- What did I do well? _____
- What do I need to improve? _____

Evaluator Feedback:

- Strengths: _____
- Areas for Development: _____

Student Signature: _____ **Evaluator Signature:** _____
